Recent Activities:

We incorporated on **19TH MAY 2023** by Ministry of Corporate Affairs a Non-Government Organisation by keeping a mission of "**SOCIAL WELFARE, LITRATED INDIA, HEALTHY INDIA, WOMEN EMPOWERMENT, ANIMAL AIDS, CHILD DEVELOPMENT, ENVIRONMENT PROTECTION AND ANY OTHER SUCH OBJECTIVES**". We have a positive thinking towards the society and support to the needy people in every possible way.

Currently we are promoting Health Awareness Programs related to COVID-19, Proper Sanitization, and Encouraging people to get Vaccinated etc. In this Program, we are distributing free masks and Sanitizers in **Khordha, Cuttack District** and nearby villages and town, spreading awareness about the importance of Vaccination and other precautionary measures to be taken during this COVID-19 Pandemic.

Also, we are focusing on Education, Basic Health and Food to the needy people which are residing in backward areas and not able to survive independently.

We are not limited with what we did so far. We will continuously help needy people across the country. Which is our long term mission.

Activities performed since we incorporated:

1. Education to 100+ poor family children:

We provided education support to the children coming from the poor families.
